

## **Byala Municipality**

Located in North Bulgaria, Rousse District. The area of the municipality is 341 sq. Km. The municipal center - Byala is 55 km from Ruse, 58 km from Veliko Tarnovo, 22 km from Polski Trambesh and 53 km from Popovo.

The geographical location of the municipality is strategic and determines its place in the national transport, energy and communications infrastructure. In addition to being a border of two areas, important roads and communication nodes pass through its territory - the primary thoroughfares for Sofia and the southern border, the Ruse - Sofia railway line, fiber optic cable, international cable connections, etc.
